

# Bebop Hip Hop Dance/Fitness

Offered by Ashland Community Education

**This class is for students in Kindergarten and Grades 1 and 2**

**"Bebop Hip Hop"** is designed for the young dancer who wants to learn the coolest hip hop moves that all the big kids are learning! Aside from keeping kids fit and being a super fun class, dance provides avenues for emotional expression, awareness about the body, enhances memory and so much more! Studies show that kids involved in extracurricular activities, such as dance, tend to perform better in school.
